JOHN HOPE FRANKLIN

The Winter, 1965 issue of the magazine "Freedomways" is the first quarter issue of this publication for 1965, Volume 5, Number 1, and is a special memorial issue devoted to W.E.B. DuBois. "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement", published quarterly by Freedomways Associates, Incorporated, at 799 Broadway, New York, New York.

Information concerning Freedomways Associates, Incorporated, will be found in latter pages.

Included on Page 11 of the Winter, 1965 issue of the magazine "Freedomways" are greetings from John Hope Franklin as follows:

"I am pleased to learn that 'Freedomways' is planning an issue to memorialize Dr. Du Bois. For the latter portion of my life, Dr. Du Bois has been an inspiration to me and to most members of my generation. I remember so well the first time I heard him speak. It was in 1926 at the State Teachers Association in Oklahoma. Although I was a mere lad I was greatly moved by what he said on that occasion. From then to the end of his life he continued to be a great source of inspiration. His impeccable scholarship, his fearlessness as a leader, and his determination to secure freedom for all peoples, were the hallmarks of his great and illustrious life. I am certain that he will continue to wield enormous influence through his immortal writings."

"The Worker" issue of November 261, 1961, carried an article on Page 1, which stated in part:

Dr. W.E.B. DuBois, outstanding figure in American letters, father of the modern Negro freedom movement and long-time crusader for the national independence of African peoples, has joined the Communist Party of the United States.

ENCLOSURE

The March 27, 1964 edition of "Muhammad Speaks", self described commencing with the February 5, 1965 issue as published on a weekly basis by Muhammad's Mosque No. 2, 634 East 79th Street, Chicago, Illinois, on Page 5 carried an article, "Never Allow Oppressors to Pick Your Leaders. This article noted that for the first time in America a Negro leader who was an avowed communist, was openly given the highest honors by Negro intellectuals, artists and thousands of civic and fraternal figures in a gallant memorial tribute. The article noted that so great was the stature of the late W.E.B. DuBois, Negro historian, philosopher, Pan-Africanist and intellectual giant, that many who would never have dared utter a word of approbation for his political and sociological outlook while he lived -- helped immortalize his memory without reservation.

Included in this article was the following excerpt:

"I wish I could eradicate from my memory the picture of Dr. Du Bois, handcuffed like some common thief, accused at eighty years of age of being the agent of a foreign power," said Dr. John Hope Franklin, chairman of the Department of History, Brooklyn College and keynote speaker of the memorila.

"Even his later exoneration," the noted educator said, "cannot obliterate from my mind the impression that, perhaps he was the victim not merely of the fanaticism that characterized those years, but that he was being punished for what he had represented for more than half a century".

APPENDIX

FREEDOMWAYS ASSOCIATES, INC.

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1963, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by [redacted] a member of the National Committee of the CPUSA.

NATION OF ISLAM, Formerly Referred
to as the Muslim Cult of Islam, Aka.
Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

Honorable Marvin Watson
Special Assistant to the President
The White House
Washington, D. C.

Dear Mr. Watson:

John Hope Franklin [redacted] has requested a name check on [redacted]

Dr. John Hope Franklin, who was born on January 2, 1915, at Rentlesville, Oklahoma, was the subject of an applicant-type investigation conducted by this Bureau early in 1962. A summary memorandum containing the results of this investigation was furnished to the White House on February 5, 1962, and a copy of that memorandum is enclosed.

Information has been received since this investigation that Dr. Franklin is an apologist for the late Dr. W. E. B. DuBois, a prominent crusader for civil rights and a sponsor of communist fronts who joined the Communist Party at the age of 93. A communist youth movement has been founded which is known as the W. E. B. DuBois Clubs of America.

The Winter, 1965, issue of the magazine "Freedomways" carried a greeting from Dr. John Hope Franklin indicating his pleasure to learn that "Freedomways" was planning an issue to memorialize DuBois. He referred to DuBois as having been "an inspiration to me." "Freedomways" is published by Freedomways Associates, Inc., in New York City. The source advised in 1961 that it was originally planned for the publication to be openly Marxist but it was later decided that the publication would not be.

avowedly Marxist. Editorials were reportedly in the hands of a mixed group of Marxists and non-Marxists. Reportedly "Freedomways" was to project a socialist and pro-Soviet orientation. Another source has stated that the publication was set up for the Communist Party by [redacted] a member of the National Committee of the Communist Party, USA.

Civil fingerprints were located in the files of the FBI Identification Division which may be identical with those of Dr. Franklin. These fingerprints were searched through the criminal files of the Identification Division and no arrest record was located.

A characterization of the WILLIAM E. B. DU BOIS Clubs of America is contained in the appendix of this report.

1.

W. E. B. DU BOIS CLUBS OF AMERICA

A source advised on October 26-27, 1963, a conference of members of the Communist Party, USA (CP,USA), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates to this meeting were cautioned against the germ of anti-Soviet and anti-CP ideologies. These delegates were also told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second conference of over 20 persons met in Chicago on December 28-29, 1963, for the purpose of initiating a "call" to the new youth organization and planning for a founding convention to be held in June, 1964.

A second source has advised that the Founding Convention for the new youth organization was held during the period of June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W. E. B. DuBois Clubs of America was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "It is our belief that this nation can best solve its problems in an atmosphere of peaceful co-existence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-communism to divide and destroy the unified struggle of the working people. As young people in the forces struggling for democracy, we shall actively strive to defeat these reactionary and neo-fascist elements and to achieve complete freedom and democracy for all Americans, thus enabling each individual to freely choose and build the society he would wish to live in. Through these struggles we feel the American people will realize the viability of the socialist alternatives."

APPENDIX

2.

W. E. B. DU BOIS CLUBS OF AMERICA

The constitution further states this new organization shall be a membership organization open to individuals or, if five or more people so desire, a chapter can be formed which shall in turn be guided by the policies and principles of the parent organization.

The second source advised in April, 1965, the headquarters of the organization continues to be located at 1953½ McAllister Street, San Francisco, California.
